

Purpose: The Medicine Hat Library Board recognizes the importance of having Board trustees who are committed to the purpose and duties of the Library Board.

1. Board members are responsible for actively encouraging applicants with knowledge and/or expertise beneficial to the Board.
2. Information for prospective Board members is reviewed annually. This would include the City of Medicine Hat's Information to Applicants booklet and the Board section of the Library's website.
3. It is customary for the Council member sitting on the Library Board to provide the Board with a synopsis of the Library Board applicants. Board recommendations will be forwarded to Council for consideration when appointing Library Board members.
